Grooming Agreement - Terms

Pets are accepted for grooming only under the following conditions:

1. The animal is fit and healthy. Any grooming which takes place on an elderly animal or animal with health problems will be at the owner's risk. Grooming may expose pre-existing health/skin problems for which the company cannot be held liable.
2. The animal is vaccinated up to date (Rabies, DHLPP, Bordetella)
3. In the event of any injury or health concern, we are authorized to contact a veterinarian and treat the pet as necessary.
4. Dematting/thinning out of matted hair may cause patchiness and hair loss. Consent to remove the matted hair in on this understanding.
5. Payment is due at check-out. Owner agrees that the pet will not leave the facility until all charges due are paid. Payment will be made as per price list/quote and owners must collect pets at time stated.
6. Shaving/stripping will dramatically change the pet's appearance and the hair will be very close to the skin. This may expose pre-existing skin conditions. Your written permission will be required to perform this service.
